

## Articles about aphasia in the (Royal) College of Speech (and Language) Therapists journal, chronologically from 1935-2010

The journal has had several titles over the decades:

- Speech
- Speech Pathology and Therapy (*SPT*)
- British Journal of Disorders of Communication (*BJDC*)
- European Journal of Disorders of Communication (*EJDC*)
- International Journal of Language and Communication Disorders (*IJLCD*)

Johnson, W. 1937. Aphasia. *Speech*, 2, (4) 8-12

Ross, D. 1939. Some observations on various disturbances of speech. *Speech*, 4, (3) 19-21

Brewitt, E. 1939. Aphasia. *Speech*, 4, (4) 29-33

Kingdon-Ward, W. 1939. Anxiety-reaction in the adult aphasic in relation to speech therapy. *Speech*, 5, (1) 28-32

Zangwill, O.L. 1947. Psychology, speech therapy and rehabilitation. *Speech*, 11, (1) 4-8

Butfield, E. 1951. A case of severely predominantly receptive aphasia. *Speech*, 15, (2) 24-32

Butfield, E. 1952. An introduction to the assessment of aphasic patients prior to language re-education. *Speech*, 16, (2) 49-55

Critchley, M. 1953. Articulatory defects in aphasia. *Speech*, 17, (1) 4-16

Worster-Drought, C. 1953. Aphasia. *Speech*, 17, (2) 36-47

Fitch, D. 1955. The emotional effects of traumatic aphasia. *Speech*, 19, (1) 24-26

Bennett, D. & Sklar, M. 1956. Initial communication chart for aphasics. *Speech*, 20, (2) 63-65

Butfield, E. 1958. Rehabilitation of the dysphasic patient. *SPT*, 1, (1) 9-17

- Butfield, E. 1958. Rehabilitation of the dysphasic patient. *SPT*, 1, (2) 60-65
- Butfield, E. 1960. Acquired receptive dysphasia. *SPT*, 3, (1) 8-12
- Critchley, M. 1962. Aphasia at the seventh international congress in neurology, Rome, 14th September, 1961. *SPT*, 5, (2) 51-56
- Wallace, E.A.R. 1962. Acquired motor aphasia in an adolescent. *SPT*, 5, (2) 87-94
- Grewel, F. 1963. Linguistic approaches to aphasia. *SPT*, 6, (1) 24-29
- Mitchell, J. 1963. Communication disorders following cerebral lesions: the team approach in rehabilitation. *SPT*, 6, (2) 54-62
- Rochford, G. & Williams, M. 1964. The measurement of language disorders. *SPT*, 7, (1) 3-21
- Wallace, A. 1964. Comments on the scale for the measurement of language function. *SPT*, 7, (1) 22-29
- Fawcus, M. 1964. Group therapy for the aphasic patient. *SPT*, 7, (1) 30-36
- Fleming, M. 1964. Development and practice of clinical techniques in the treatment of aphasia. *SPT*, 7, (2) 59-67
- Hatfield, F. 1964. Rehabilitation of language. *SPT*, 7, (2) 68-77
- Jones, J. 1964. The dysphasic patient in a neurosurgical department. *SPT*, 7, (2) 78-83
- Schuell, H. 1966. Some dimensions of aphasic impairment in adults considered in relationship to investigation of language disturbances in children. *BJDC*, 1, (1) 33-45
- Wepman, J. & Jones, L. 1966. Studies in aphasia: classification of aphasic speech by the noun-pronoun ratio. *BJDC*, 1, (1) 46-54
- Williams, M. 1968. Modern attitudes to the psychology of dysphasia. *BJDC*, 3, (1) 60-65

- Wirz, S. & Stanton, J.B. 1968. An experimental study in dysphasia. *BJDC*, 3, (1) 66-73
- Sefer, J. & Schuell, H. 1969. A year of aphasia therapy: a case study. *BJDC*, 4, (1) 73-82
- Gordon, M. 1969. An experiment in audio and audio-visual group therapy. *BJDC*, 4, (1) 83-88
- Brown, B.B. & Ives, L. 1969. The re-education of a dysphasic adult: an experiment in co-operation between a speech therapist and an educational psychologist. *BJDC*, 4, (2) 176-196
- Malone, R., Ptacek, P., & Malone, M. 1970. Attitudes expressed by families of aphasics. *BJDC*, 5, (2) 174-179
- Cameron, R., Currier, R., & Haerer, A. 1971. Aphasia and literacy. *BJDC*, 6, (2) 161-163
